The Anne of Green Gables series has always been an immensely well liked series, not only in the book form, but in film versions as well. It has been made into movie adaptations, television series, and even stage productions. The undisputed and most famous adaption is the Canadian television miniseries that first debuted in 1985. Although the miniseries only details the first few novels in the series, it still gives its audience a decent story line of the written work themselves.
