The stories are EXCELLENT! I have not read fairy tales as well written as these. Some are stories I have not read the likes of anywhere else. All the stories seem original while still retaining the genre and style of classic fairy tales. The illustrations are exceptional. This is a great book to give to, and to cherish with, any child.

my children! Wonderful illustrations, and great classic stories. This is my one of my favorite versions of the three little pigs, where they trick the fox multiple times before he finally becomes so frustrated he tries to get to the pigs by jumping down the chimney.

List of fairy tales - Wikipedia

Fairy tales are stories that range from those originating in folklore to more modern stories defined as literary fairy tales. Despite subtle differences in the categorizing of fairy tales, folklore, fables, myths, and legends, a modern definition of the fairy tale, as provided by Jens Tismar's monologue in German, is a story that differs "from
