Books about the human body for kids ages 3-8 - The ... In this book, she addresses the main body parts with kid-friendly language that even preschoolers can understand. We like the conversational style and the bright illustrations. Some reviewers on Amazon thought the illustrations were creepy this never occurred to us, and it's one of our favorites!

Lesson: Parts of the Body - ESL KidStuff have your students touch their part of the body (so, when you show the "head" flashcard get everyone to touch their heads). Chorus each word three times and then ask your students to individually say each word.
