CCSS Math - Common Core State Standards Initiative  
Kindergarten Introduction Print this page In Kindergarten,  
instructional time should focus on two critical areas: (1)  
representing and comparing whole numbers, initially with  
sets of objects; (2) describing shapes and space.

CCSS Math - Home | Common Core State Standards  
Initiative

The math standards provide clarity and specificity rather  
than broad general statements. They endeavor to follow  
the design envisioned by William Schmidt and Richard  
Houang (2002), by not only stressing conceptual  
understanding of key ideas, but also by continually  
returning to organizing principles such as place value and  
the laws of arithmetic to structure those ideas.
