I love these Disney read along stories/CDs but the Frozen one isn't as good as the others we have purchased. The narration is a bit too fast, and the entire story is only 10 minutes long! (The Moana one, by comparison, is 22 min long, over twice as much length). But for under \$5 this is a good purchase and is a great addition to our collection for

my daughter's quiet times.

Frozen Read-Along Storybook and CD by Walt Disney Company

Frozen is one of my Disney favourites so it was great to be able to read a book based on the tale. Coupled with the narration, which was made up of the primary film cast - Idina Menzel as Elsa, Kristen Bell as Anna & Josh Gad as the loveable snowman Olaf - and the beautiful pictures, this book is surely going to melt anyone's heart.
