How do I download and save a YouTube video to my computer?

If you choose "Audio MP4 128," it only downloads the audio and not the video. If you did choose the right download link to download the file, it is very likely that the player you are using does not have the necessary codec for video files.

How can I download audiobooks to a Windows computer?

In order to download your audiobook to your Windows computer, you will need to download Audible Download Manager and configure it to import your audiobooks to iTunes, Windows Media Player, or our AudibleManager player.
