## Free Math Placement Practice Test Questions - Test Prep

If you're headed for college or university, a math placement test might be in your very near future. Schools use these tests as a tool to determine the appropriate level of math classes for incoming students. These exams are given after a student has already been accepted for admission; they are not part of the college application process. Also, there are no passing or failing scores on these tests.

College Math Placement Test Prep from MathHelp.com

In my college math placement test I failed miserably 32 in math so I decided to study and retest again. After week of using your site I scored today 82 in Algebra. Thank you!

After week of using your site I scored today 82 in Algebra.
