The Advantage: Why Organizational Health ... - amazon.de

The Advantage is another of Patrick Lencioni's business books, yet unlike all others (that I've read) this one is not written as a business novel. Instead it is a bit more like a normal business book but then it summarizes some of the core ideas of Lencioni's earlier books. A good idea, but in practice I didn't like the book much and much prefer the usual format for Lencioni books. A key point

The Advantage: Why Organizational Health Trumps Everything ...

The Advantage by Patrick Lencioni *The Advantage* is about organizational health improvement. The four disciplines are building a cohesive leadership team, create clarity, over communicate clarity and reinforce clarity.

The Advantage: Why Organizational Health Trumps Everything ...

Patrick Lencioni does an incredible job moving between the practical and theoretical and showing a team how to create organizational health in a doable way. A book to not only study, but to implement. I'll come back to this one every year for many years.
