The Art of Possibility is a well written and very interesting book about how you can approach your life from a different point of view. Instead of comparing yourself to others and striving for your own survival, you can be of service and make yourself available to others. You can act from a place of respect that gives the people around you the room to be themselves. I found their new perspective very inspiring.

The Art of the Possibility is an uplifting little book about thinking practices that allow you to move away from "the world of measurement" into "the world of possibility".
[Book Summary: The Art of Possibility by Rosamund Zander](#)

You don t need to play the measurement game. You can play the possibility game. You can live in The Possibility World. Instead of focusing on how you measure up, focus on how you contribute to the world around you. Contribution is not measured based on other people. It s only measured based on what you put into the world around you. That s it. If you add something, you contributed.
