Please note that the Lexile measures for a small population of books have been recently updated. Enhancements were made to more precisely measure materials read in K-2 classrooms.

**The Big Blueberry Barf-Off! (Rotten School #1): R.L. Stine ...**

The Big Blueberry Barf-Off will appeal to most school kids between 8 and 12 years of age. A departure from the Goosebumps style it is a good read filled with descriptions of the gross and messy stuff children that age like to read about while still providing an interesting story with plenty of twists and turns. This series should appeal to boys where other titles often fail.
