The Role of the Nation-State in Globalization | Investopedia

The role of the nation-state in globalization is a complex one in part due to the varying definitions and shifting concepts of globalization. While it has been defined in many ways, globalization

Nation State or State Nation ? | Human Development Reports

The belief that every state should be a nation reflects perhaps the most widely accepted normative vision of a modern democratic state, i.e. the nation state. After the French Revolution, especially in the 19th century, many policies were devoted to creating a unitary nation state in France in which all French citizens had only one cultural and political identity. These policies included

NationStates | create your own country

Create a nation according to your political ideals and care for its people. Or deliberately oppress them. It's up to you. Or deliberately oppress them. It's up to you.

Will the Nation-State Survive Globalization? | Foreign Affairs

Martin Wolf is Associate Editor and Chief Economics Commentator at the Financial Times. This paper is based on "The Nation State in a Global World," presented at the Harry Oppenheimer Colloquium on Globalization, funded by the Ernest Oppenheimer Memorial Trust, in Stellenbosch, South Africa, in February 2000.

Nation-state | Definition of Nation-state by Merriam-Webster

Nation-state definition is - a form of political organization under which a relatively homogeneous people inhabits a sovereign state; especially : a state containing one as opposed to several nationalities.
