The Governor was voted "Villain of the Year" by Wizard magazine the year he debuted, and his story arc was the most controversial in the history of the Walking Dead comic book series. Now, for the first time, fans of The Walking Dead will discover how The Governor became the man he is, and what drove him to such extremes.

The Walking Dead, Rise of the Governor, should be more aptly titled (as mentioned by several other reviewers): The Birth of the Governor. If this book has a sequel, it would tell of the actual rise of the Governor. In fact, I feel that given what this particular book is lacking, there would need to be a sequel to bridge the gap between what we have been introduced to with this story and what we see when Rick, Glenn, and Michonne stumble across Woodbury in the comic books.
