"Wild at Heart" gives a glimpse into the male heart, the way God originally designed it, and it gives men the freedom and encourages them to explore the image of God in themselves. Wilderness, adventure, heroism, danger - I believe this book will speak to all men (and women), if we are brave enough to be "different", to be untamed - as God is.

Das Debütalbum von The Wild! nennt sich Wild At Heart und ist ein ass-kicking Hard Rock Album das richtig abgeht geworden. Die 10 Songs der Kanadier sind wild, rauh und zeigen der Welt wie man Rock'n'Roll spielt. Der Opener "Ready To Roll" ist ein grooviger Rocksong, der auch als Single für Rock Radio Stationen ausgekoppelt wurde. Eine gute Wahl denke ich, denn der Titel geht sofort ins Ohr und bleibt auch hängen.

Wild at Heart: Discovering the Secret of a Man's Soul

Wild at Heart is a most excellent book that begs the question of what has happened to males in our post-feminist world. Decades of misinformation and cultural erosion have rendered most men absent or impotent in our (specifically the American) society, which this book seeks to explain.
